

## The Fellows of The New York Bar Foundation

Election into membership in the Fellows is evidence of professional distinction recognizing outstanding achievement and dedication to the legal profession and constitutes a professional honor.

While participation in the activities of the Fellows is not mandatory, we welcome the opportunity to interact with you as valued members. Your support will be most significant in serving the profession and public.

### Level of Commitment

Once elected by the Board of Directors, each new Fellow makes a commitment to give a gift to The New York Bar Foundation of \$2,000. This gift can be completed immediately, or there is a flexibility to pay \$200 per year for ten years. Upon completion of the commitment, you become part of this distinguished group with the designation as a Life Fellow. Once receiving the Life Fellow designation Fellows are invited to move up to higher Circles of Giving.

Each Circle of Giving has been named for a highly respected individual who has dedicated his or her life to the law and the advancement of the legal profession:
